

## ecoAgra™ Products

100% Bio-Based

### ecoAgra™ Benefits:

- ▶ Bio-Based
- ▶ Safe to use, store & dispose of
- ▶ Readily Biodegradable
- ▶ Non-Toxic
- ▶ Non-Carcinogenic
- ▶ Hypoallergenic
- ▶ Non-Corrosive
- ▶ Non-Hazardous
- ▶ Non-Caustic
- ▶ Non-Fuming
- ▶ Low-Foaming
- ▶ Non-Flammable
- ▶ From renewable resources
- ▶ Use less water

### ecoAgra™ Does Not Contain:

- ▶ Ozone Depleting Substances
- ▶ Synthetics
- ▶ Terpenes
- ▶ Petroleum Distillates
- ▶ Glycol Ethers
- ▶ Caustics
- ▶ Builders & Reagents

### ecoAgra™ Specifications:

- ▶ **Flash Point:** None
- ▶ **Odor:** Faint Vegetable Smell
- ▶ **Boiling Point:** 214.4°F
- ▶ **Freezing Point:** 28.0°F
- ▶ Specific Gravity: 1.001
- ▶ **Solubility in water:** 100 %
- ▶ **pH:** 9.7
- ▶ **Appearance:** Clear gold liquid

## Foliar Concentrate eA300

For use on fruits, vegetables, plants, flowers, trees, grass or shrubs. This product is harmless to humans, pets and the environment.

### ecoAgra™ Description:

ecoAgra™ is an inexpensive, USDA BioPreferred foliar application, made 100% from plant extracts. Increased natural photosynthesis results in higher yield, increased root mass, and higher BRIX levels, thus increasing the crops value and improving the bottom line. Water conservation is also a benefit.

### ecoAgra™ Uses:

- ▶ Field Crops ▶ Greenhouse Plants ▶ Vegetables ▶ Fruits
- ▶ Trees ▶ Shrubs ▶ Grass ▶ House Plants ▶ Produce Washing

### ecoAgra™ Application:

- ▶ Application uses approximately 5.1oz (150ml) of product per acre (.4 hect)
- ▶ Spray in the morning or evening, never during hot sunlight
- ▶ Mix 16oz (473ml) of ecoAgra™ with 50 gal (189L) of water to clean tank after chemical use. Make sure solution contacts all surfaces.

**Note:** Apply in the morning or at night if possible, not in direct sunlight

### ecoAgra™ Suggested Dilution Rate:

- ▶ **300:1:** normal spraying, seed treatment, damaged plants
- ▶ **300:1:** grafting, air-layering, rooting of cuttings
- ▶ **400:1:** combination spray (i.e. when mixed with chemicals)
- ▶ **400:1:** cleaning of bare root stock
- ▶ **600:1:** healthy plant maintenance, leaf polish, shine

### ecoAgra™ Ingredients:

Alkanolamines, amino acids, corn and soy oil, coconut oil, nonionic surfactants, plant-based fatty acids and organic alcohol in a base of colloidal micelles.

ecoAgra™ can be applied in a variety of ways, including ground spraying, center pivot spraying and crop dusting. Better coverage is attained by ground spraying. Seeds can also be pre-treated.

### Benefits of ecoAgra™:

- ▶ No EPA or regulatory issues when spraying ecoAgra™
- ▶ No health hazards to workers, animals, customers and owners
- ▶ No warning signs needed or concerns of chemical drift
- ▶ No special storage or disposal worries
- ▶ Field workers no longer have to dress in protective clothing

### USDA Certified

ecoAgra™ is USDA Certified and listed on the Federal Procurement Program. There are no drifting when applying.
